### Local Fans Get Returns

A party of fans, not quite so large but just as enthusiastic as in former years, have been receiving the returns by play of the great World Series games, at the Club house of the Lamolille Valley Gun Club. "Jim" Kelley manipulated the telegraph key and Win Olmstead and M. P. Maurice acted as umpires, announcing the result to the audience.

The games to date stand as follows:—Saturday, Boston 6, Brooklyn 5; Monday, Boston 2, Brooklyn 1, fourteen innings played; Tuesday, Brooklyn 4, Boston 3.

During the game Saturday the news of the arrival of the German submarine off Newport, was received at the Gun Club only about half an hour after its arrival.

### Serious Fire Averted

Last Saturday morning at 1:30 o'clock the tannery whistle sounded a long alarm of fire and a large number of the members of the fire department responded promptly. The alarm was sounded for a blaze in an incipient stage in the large pile of shavings in the rear of Morse's mill. The smoke and a slight blaze was first discovered by Dennis Cleveland, who was acting as night-watchman at the tannery. After sounding the alarm Mr. Cleveland and Abbott Amsden, the watchman at the mill, put out the fire before the firemen arrived.

A careful investigation has been made of the cause of the blaze and it is thought probable that a careless smoker passing behind the mill dropped a cigarette at the edge of the pile of shavings, which, but for the lucky discovery, might have resulted most disastrously.

### Hyde Park Library

J. W. Burgen, the contractor for the building of the new library, was in town Saturday and finished the work, delivering the keys to the committee. That the building is a fine one is admitted by all. It is more than a "fine one," it is well-built nothing slighted in either material or workmanship. It reflects great credit upon the contractor and also for the building committee, especially H. M. McFarland, the chairman, who has spent a great deal of time in looking after the details. The town is certainly under obligations to him for the care and attention he has given the same. It is a library of which the town can be justly proud.
